A MEMBER OF THE MINNESOTA STATE COLLEGES AND UNIVERSITIES SYSTEM

Hennepin Technical College is an affirmative action, equal opportunity educator and employer.

This document is available in alternative formats to individuals with disabilities.

In 2012, the State of Minnesota passed new laws which mandate operators of vehicles escorting overdimensional loads to hold a current Minnesota Department of Public Safety certification.

**All operators will be required to carry this certification on January 1, 2014.**

The Department of Public Safety and the State Patrol have tasked Hennepin Technical College and Advanced Minnesota (formerly Mesabi College) to work with other MnSCU institutions to offer the initial eight-hour certification course at various locations around the state.

Classes are scheduled to begin in January 2013 in both open enrollment and contract options. The cost of the certification is \$180 per person.

**All students are required to bring a recent driving record (no more than 30 days old). A request form can be found at <https://dps.mn.gov/divisions/dvs/forms-documents/Documents/RecordRequestForm.pdf>**
